## Coming Back to District 31

Were you at the Spring Conference? If so, you had a chance to learn from the keynote speaker Lance Miller, 2005 World Champion of Public Speaking and builder of world class clubs. Lance has generously offered to support District 31 training this summer. He will provide Tips and Tools at the Club Officer Training (Summer TLI) to build strong and successful clubs. Everyone who leads a club or has a vision of moving into club leadership should plan to attend.

Lance will also be supporting the District 31 team of trainers at the Area Governor and Division Governor training. We want to equip our club and district leaders with the tools to collectively become a President's Distinguished District. We can do it **together**.

## Is your Club Success Plan in place?

Did your club achieve its desired success in 2012-2013? July is the start of a brand new Toastmasters year. Start early laying out your plan for how your club will meet member needs and distinguish itself in the coming year. Don't forget to use the District 31 website as a source for tools, tips and templates. Need something that you don't find? Contact us!

## Summer Toastmasters Leadership Institute (TLI)

Toastmasters Leadership Institute is Club Officer Training. Don't miss this chance to learn from Lance and other trainers. As noted in the Club Leadership Handbook at [www.toastmasters.org/clh](http://www.toastmasters.org/clh), district training is important for all Club Leaders and a requirement to get credit for serving as an Officer. But all members are welcome at the TLI events, even if not a current club officer. See [www.district31.org](http://www.district31.org) for details and registration.

**Quincy** - July 23, **Westford** - July 25, **Worcester** - August 6, **Raynham** - August 8, 2013. Dinner/Registration starts at 5:30 pm, training from 6:00 pm to 9:00 pm.
