Happy Fourth of July!

Welcome to the 2017-2018 Toastmasters Year!

Anna Kaufman here. I'm honored to be serving as District Director this year alongside a phenomenal team of leaders, all eager to support and serve you!

What's happening in District 31?

1. OFFICER TRAINING (TLI) - we are planning one session per division: a whopping NINE training sessions. Details will be posted on district31.org once finalized.
2. CONFERENCE - join our November [fall conference](#) with keynote Kelly Swanson

3. MEMBERSHIP - let's get more people to receive the value of Toastmasters!
Bonus. MANTRA - my focus is on three words: Collaborate. Create. Celebrate.

Collaborate. Create. Celebrate.

What are your goals this year? How can the district support you?
