Dynamic Leadership

This path helps you build your skills as a strategic leader. The projects on this path focus on understanding leadership and communication styles, the effect of conflict on a group and the skills needed to defuse and direct conflict. These projects also emphasize the development of strategies to facilitate change in an organization or group, interpersonal communication and public speaking. This path culminates in a project focused on applying your leadership skills.

Leadership Development

This path helps you build your skills as an effective communicator and leader. The projects on this path focus on learning how to manage time, as well as how to develop and implement a plan. Public speaking and leading a team are emphasized in all projects. This path culminates in the planning and execution of an event that will allow you to apply everything you learned.

Presentation Mastery

This path helps you build your skills as an accomplished public speaker. The projects on this path focus on learning how an audience responds to you and improving your connection with the audience members. The projects contribute to developing an understanding of effective public speaking technique including speech writing and speech delivery. This path culminates in an extended speech that will allow you to apply what you learned.

Strategic Relationships

This path helps you build your skills as a leader in communication. The projects on this path focus on understanding diversity, building personal and/or professional connections with a variety of people and developing a public relations strategy. Communicating well interpersonally and as a public speaker is emphasized in each project. The path culminates in a project to apply your skills as a leader in a volunteer organization.

Team Collaboration

This path helps you build your skills as a collaborative leader. The projects on this path focus on active listening, motivating others and collaborating with a team. Each project contributes to building interpersonal communication and public speaking skills. This path culminates in a project focused on applying your leadership skills.
