

From the District Director

My Dear District 31 members,

Believe it or not September is upon us. Summer is almost over, many of our children are heading back to school and for some of us we have the privilege to also head back to classes. However, many of us have never stopped the learning process as there have been 140 educational awards issued to District 31 members since July 1, 2015. YES - I DID SAY 140 AWARDS!

Among the awards are 7 new Triple Crown winners and 7 new DTM's and they are Anna Kaufman, Sara C. Adair, Byron M. Mattingly, Eric Holmstedt, Allen G. Supynuk, Scott G. Green and Lisa Shooman. This is very impressive as it shows that we as Toastmasters are continuously working towards improving ourselves both in our communication and leadership skills, many of us never take a break from self growth.

August was a busy month with some of us attending the Toastmasters International convention in Las Vegas. We not only received lots of training but also had the opportunity to attend many interesting and enjoyable breakout sessions, renew old friendships and create new ones. Most of all I would like to say Thank You to our District 31 contestant, Wayne Braverman, who made the district proud with his speech. He put in a lot of hard work and I am sure he found it a very

rewarding experience.

Most of us are busy in our clubs creating both the humorous and evaluation contests, this is not only fun it is a fantastic method to improve our skills both as contestants and functionaries. I am looking forward to attending many contests and enjoying the speeches as well as the growth of many of our members. Please remember to have fun, if we are not enjoying what we are doing it becomes a task rather than a pleasure.

September also brings with it the opportunity for us to reinvest in ourselves as we recommit to our growth and pay our semi-annual dues to Toastmasters. Please get in your payments early, as it is a commitment to yourself for yourself.

Below you will see articles from our Program Quality Director, Stefano McGhee and our Club Growth Director, Anna Kaufman. Take the time to read them as they have lots of important information in them, including a new membership program created by our CGD, Anna.

Thank you for taking the time to read our newsletter. Let's all move forward to a new season of learning, creativity and Fun as we grow in harmony.

I wish my Jewish friends a very Happy and Healthy New Year,
Rick Winer, DTM
District 31 Director

Oh yes one more thing

I am proud to announce that the Immediate Past President of Toastmasters International, Mohammed Murad, will be visiting our district at our November 14th conference!

Please make every effort to attend - it will be an experience you won't want to miss.
