

## District 31 Leadership Appointments

At the May conference the elected role of Division A Director did not have a candidate and was therefore left vacant. The Division A Director has been appointed by District Director recommendation. At the July 9th, 2017 DEC meeting, the district executive committee acknowledged and approved by a unanimous vote:

*Division A Director: Jane Shan*

These changes are also brought before the district council for confirmation.

Refer to [policy details](#) under (f) Vacancies, an excerpt of which is here:

“A vacancy in any elective office shall be filled by the district executive committee based upon the recommendation of the district director... Such appointment shall become effective immediately and will run until the next succeeding district council meeting at which time such appointment shall be confirmed or another individual member elected to the office.”

Other district leadership officers were appointed and must also be confirmed by the district council.

Refer to [policy details](#) under (c) Other Officers, an excerpt of which is here:

“The other officers of this district shall be the public relations manager, the district administration manager, the district finance manager, and the area director for each area. These officers may be elected or may be appointed by and serve at the will of the district director, subject to the approval of the district executive committee and confirmation by the district council.”
