Alignment Rules from Toastmasters International

Absolute Rules

- Maximum of 9 Divisions per District
- Minimum of 4 Areas per Division
- Minimum 4 clubs in good standing per Area
- Maximum 6 clubs per Area
- Cannot have area with only advanced clubs

Factors to Consider

- Geographic proximity to other clubs
- The ability of an Area Director to effectively provide service
- Club size and strength
- Prospective clubs and expected growth
- The likelihood of eligibility for Distinguished programs

District 31 Alignment Committee Guidelines

- Divisions will not cross international borders
- Target same number of Areas in each Division (if possible)
- No more than 5 potentially active clubs per Area (if possible)
- Each Area will have 3-4 clubs at low risk of not being active
- Fully online clubs with geographically dispersed membership can be aligned to any Area or Division to help with balance
- Geography will be main consideration when clubs are far apart
- For more dense clubs, balance of support needed and likelihood of being distinguished will outweigh geography

What is a Valid Area?

A valid area contains:

- Four to six clubs
- At least four clubs in good standing

Invalid areas:

Area: G G G S

Area: G G G P

Area: G G G P S

Key:

G: Club in good standing

S: Struggling club (< 8 members)

P: Prospective club
